

**Who is this course for?**

The International English Language Testing System is designed to assess the language ability of candidates who need to study or work where English is used as the main language of communication. IELTS is an exam that is recognised by more than 9000 organisations worldwide.

**What do we offer?**

We offer One-to-One, One-to-Two, Group IELTS courses and they are designed for students at B2-C1 level to develop their skills and learn some different strategies before they take the Academic IELTS test. You will study with people of a similar language level as you. If a student is at a low level, we recommend that they take a General English course to improve their language abilities before starting an IELTS course.

**How will I learn?**

Your teacher will use a textbook from “ Complete IELTS series (CUP)” and adapt it to your learning needs and progress in mind.

There will be 28 hrs of live online lessons in a virtual classroom and 15 hrs of guided self-study tasks.

Online guided self-study sessions will provide the targeted focus you need to achieve your desired IELTS score. You will have access to a wide range of authentic exam materials, individual study, working in pairs/group activities and will include the use of video/audio support.

You have the option to complete a full test under exam conditions and get feedback from the teacher.

**How will I know how well I am doing?**

Your teacher will give you live or recorded feedback on your four skills. You can arrange a maximum of 2 one-to-one tutorials with your teacher to receive targeted support to achieve your learning goals.

**Will I need to do extra work at home?**

Your teacher will assign homework and additional self-study tasks throughout the course and you can use the one-to-one tutorials to discuss your work or submit your answers through LLF-Online, our online learning platform to get feedback from your teacher.

**What will I need to study?**

We will provide you the course book, and other self-study materials through LLF-Online platform.

You will require

- A desktop computer, laptop, tablet or smartphone
- high-speed reliable internet connection
- An integrated microphone in the device you are using or an attached headset to take part in lessons.

**What are the costs?**

The course cost (£100) and Admin fee (£60)

Add-ons (Optional)

Closer to your IELTS exam date, you can write to us at [info@londonlf.org](mailto:info@londonlf.org) and book a time to do a full test and get feedback from the teacher for a fee.
